PLAN ADMINISTRATOR'S REPORT OF SUBSTANTIAL CONSUMMATION AND APPLICATION FOR FINAL DECREE

R. William Metzger, Jr., as Plan Administrator (the "Plan Administrator") for the above-captioned Debtor (the "Debtor"), hereby files this report of substantial consummation (the "Report") of the Chapter 11 Trustee's Plan of Liquidation of Debtor, as modified (the "Confirmed Plan"), which was confirmed by the Order Confirming Chapter 11 Trustee's Plan of Liquidation of the Debtor (the "Confirmation Order") on May 22, 2015. All capitalized terms used herein shall have the meaning set forth in the Confirmed Plan unless otherwise indicated.

SUMMARY OF CASE

- 3. On February 1, 2013 (the "Petition Date"), the Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code, thereby commencing the above-captioned bankruptcy case (the "Chapter 11 Case").
- 4. From February 1, 2013 until April 1, 2014 the Debtor operated as a debtor-in-possession. Debtor engaged R. Geoffrey Levy and the Levy Law Firm, LLC as bankruptcy counsel, employed Cantey & Company, Inc. to manage the Rental Properties (as defined in the Confirmed Plan) and Kit Regnery and Carolina Commercial, LLC as real estate brokers to sell real property owned by the Debtor in Mt. Pleasant, South Carolina. During the course of his Chapter 11 case the Debtor and his counsel actively engaged in negotiations for the sale of parcels of real property located in Mt. Pleasant, S.C. as well as offers to purchase the Debtor's assets in bulk.
- 5. Unfortunately, with the exception of the proposed sale of the Mt. Pleasant property to CK Multifamily Acquisitions, LLC for the bid price of \$11,500,000.00 ("CK Sale"), which was not approved by this Court, any other offers were deemed inadequate by the Debtor. The lack of sales activity, coupled with the fact that Debtor's asserted values of the real property made every secured creditor believe and assert they were over-secured under Section 506 of the Bankruptcy Code, created frustration amongst creditors. With time, post-petition interest (ranging from 2.75% to 8.00%), fees and other expenses continued to accumulate on secured claims, eroding the potential equity of the Debtor. Finally, the Colonial Warehouse bankruptcy was dismissed with prejudice allowing German American Capital Corporation ("GACC") to conclude that foreclosure in early 2014 and create the largest asserted unsecured claim in Debtor's case at \$3,508,073.58.

Case 13-00665-dd Doc 551 Filed 09/01/15 Entered 09/01/15 09:20:38 Desc Main Document Page 4 of 44

- 6. Debtor's sole income during the case has been the net proceeds from the Rental Properties (\$3,000.00 \$5,000.00 per month) and a distribution from the Harden-Beltline Partnership (\$976.00 per month) of which Debtor is a partner.
- 7. Other significant post-petition actions by the Debtor prior to appointment of the Trustee included (i) granting relief from the automatic stay of Section 362 of the Bankruptcy Code to Larry Paul, who held mortgages on two (2) significant parcels of real property, (ii) granting relief from the automatic stay of Section 362 of the Bankruptcy Code to Palmetto Health Credit Union with respect to a 2007 Mercedes-Benz automobile, (iii) agreeing with Jupiter Capital, LLC to pursue a credit bid sale for the Mt. Pleasant real property and (iv) filing 4 different versions of a disclosure statement and plan, none of which were ever approved by the Bankruptcy Court. An unsecured creditors committee was not appointed in this Chapter 11 case.
- 8. On February 11, 2014 the United States Trustee filed a motion to convert the Debtor's Chapter 11 case to a liquidation under Chapter 7 of the Bankruptcy Code. The matter was taken under advisement by the Bankruptcy Court. By Order entered April 1, 2014, R. William Metzger, Jr., was appointed as the Chapter 11 Trustee (the "Trustee").
- 9. On April 2, 2014, the Trustee filed an application seeking Bankruptcy Court approval to employ Robinson, McFadden & Moore, P.C. ("RMM") as bankruptcy counsel. On April 15, 2014, the Court entered an Order approving RMM's employment [Dkt. No. 207].
- 10. Trustee immediately sought to identify appropriate brokers for Debtor's real property based on type, complexity and location. Trustee agreed with Debtor's application to employ C. Whitaker Moore and Coldwell Banker United, Realtors ("Coldwell") as broker for the Debtor's residence at 2910 Gervais Street and an Order approving Coldwell's employment [Dkt. No. 209] was entered on April 16, 2014. By Order entered May 12, 2014, Trustee employed J.

Carter Weston and Weston Company ("Weston") as broker for the Debtor's 4 Rental Properties; however, the rental nature of these properties minimized Weston's ability to effectively market the properties and Trustee determined to continue to rent the properties to generate income. Trustee employed Henry "Woody" W. Moore, Jr. and Colliers International ("Collier") as broker for various commercial tracts of property owned by the Debtor and this Court entered an Order approving Collier's employment [Dkt. No. 223] on May 20, 2014. Finally, Trustee sought to continue the employment of George W. Durant and DuRant, Schraibman & Lindsay, LLC ("DuRant") as accountants for the Debtor and on August 21, 2014, the Court entered an Order approving DuRant's employment [Dkt. No. 289].

Debtor's business and its strategic alternatives and determined, among other things: (1) the Debtor had limited liquidity and revenue; (2) while there appeared to be equity in most of Debtor's real property assets, the Debtor's asserted values were not realistic given the challenges and issues associated with those properties related to title, zoning, and other political, entitlement and development issues, (3) income from Debtor's Rental Properties and the monthly distribution from Harden-Beltline Partnership would not be sufficient to cover operating expenses like real property taxes, etc.; (4) accruing post-petition interest, fees and other expenses on the secured debt was rapidly deteriorating any equity cushion such that the Debtor's real property assets would need to be prioritized and liquidated as expeditiously as possible; (5) the deteriorating physical condition of the Debtor's Flat Rock property and the inability to continue to insure said property required a "quick sale" liquidation; (6) the sheer amount of the secured claim of Jupiter Capital, LLC, coupled with the pending credit bid motion, made the sale of the 38 acre tract in Mt. Pleasant the next pressing matter; and (7) if properties could be timely sold at

Case 13-00665-dd Doc 551 Filed 09/01/15 Entered 09/01/15 09:20:38 Desc Main Document Page 6 of 44

reasonable market value prices, there was still a hope of a solvent case where certain assets or properties could be retained by Debtor.

- 12. Consequently, the Trustee determined that the Debtor's real property should be sold as expeditiously as possible to preserve going concern value which would maximize recovery for the benefit of creditors. The Disclosure Statement [Dkt. No. 456] and Confirmed Plan contain significant details on the actions of the Trustee since his appointment and reference is made to those documents for further details on specific actions or properties.
- 13. Throughout the balance of 2014, the Trustee remained active in maximizing value for Debtor's assets through liquidation. While the relief granted to creditor Larry Paul prior to Trustee's appointment was upheld [see Dkt. No. 215] resulting in the loss to the estate of the DeBruhl-Marshall house and a 26+/- acre tract off National Guard Road, the subsequent foreclosure sale did reduce Debtor's secured debt by over \$1.7 million.
- 14. The financial results of Trustee's activities from April 1, 2014 to December 31, 2014 are summarized in **Exhibit A** attached hereto and incorporated herein by reference. Trustee successfully consummated the sale of 4 properties- (a) "Mountain Lodge", a historic home in Flat Rock, N.C. [Report of Sale at Dkt. No. 254], (b) a 298 +/- acre tract of real property in Richland County known as the "Quarry Tract" [Report of Sale at Dkt. No. 381], (c) the 38 +/- acre tract in Mt. Pleasant [Report of Sale at Dkt. No. 388] and (d) a 12 +/- acre tract in Richland County [Report of Sale at Dkt. No. 389]. Through these sales, Trustee was able to generate \$4,095,379.36 in net proceeds for the estate while (a) paying all past due taxes, closing costs and commissions on the properties, (b) reducing and/or eliminating secured debt totaling \$11,203,510.29 (of which \$1,803,052.78 was accrued interest) and (c) incurring a tax liability of only \$79,413.00. In addition to these property sales, Trustee generated additional income from

the Rental Properties, extension fees not applicable to purchase price (\$200,000.00), forfeited earnest money (\$50,000.00) and lease revenue (\$10,000.00) and paid \$181,196.12 in administrative expense claims. On December 31, 2014 Trustee held approximately \$4,175,865.94 in net estate proceeds.

- Liquidation, resulting in the Confirmed Plan, and by further liquidating some of Debtor's remaining real property. The financial results of Trustee's activities from January 1, 2015 to the Effective Date of Confirmation, June 2, 2015, are attached hereto as **Exhibit B** and incorporated herein by reference. Trustee consummated the sale of 2 additional properties- (a) a 5.7 acre tract on S. Stadium Road in Richland County, S.C. [Report of Sale at Dkt. No. 444] and (b) 5.94 acres on the corner of Gervais St. and Millwood Ave. in Richland County, S.C. [Report of Sale at Dkt. No. 485]- which generated an additional \$490,672.30 in net proceeds to the estate while (a) paying all past due taxes, closing costs and commissions on the properties and (b) reducing secured debt by an additional \$749,660.00 (of which \$195,993.87 was accrued interest).
- 16. The Trustee was, however, obligated to pay significant administrative expenses and priority claims in 2015. Cherokee Rose Resources, LLC, the "stalking horse bidder" for the Quarry Tract, was entitled to a \$75,000.00 overbid fee paid at closing and an expense reimbursement of \$100,000.00 which was approved by Order entered on January 7, 2015 [Dkt. No. 393]. Trustee, separate from the sale of real property, negotiated a definitive claim amount for ad valorem real property taxes for all of Debtor's holdings in Richland County for tax years 2012 through 2014 and paid \$86,666.97 to Richland County. Jupiter Holdings, LLC asserted an additional claim for fees and expenses associated with their secured debt. This Court denied in part and allowed in part those fees, Jupiter filed an appeal and Trustee ultimately resolved the

matter by Order entered February 12, 2015 [Dkt. No. 416] which resulted in an additional payment to Jupiter of \$35,000. Trustee also had to pay the 2014 tax liability of \$79,413 and there was an additional payment of \$482,252.97 on administrative claims. On the Effective Date (June 2, 2015), Trustee held approximately \$3,867,541.12.

- 17. The Chapter 11 Trustee's Plan of Liquidation of the Debtor filed on April 8, 2015 [Dkt. No. 455] as modified on May 20, 2015 [Dkt. No. 483] was confirmed by this Court's Order Confirming Chapter 11 Trustee's Plan of Liquidation of the Debtor as Modified entered May 22, 2015 [Dkt. No. 495] ("Confirmed Plan"). The Effective Date of the Confirmed Plan was June 2, 2015 at which time the Chapter 11 Trustee became the Plan Administrator.
- 18. The powers and authority of the Plan Administrator were set forth in the Confirmed Plan but are substantially similar to the Trustee. Attached hereto and incorporated herein by reference as **Exhibit C** is the summary of the receipts and disbursements of the Plan Administrator from the Effective Date through August 31, 2015. The only additional sale of property consummated by the Plan Administrator was the Dreyfus Road parcel which resulted in \$162,525.75 in net proceeds to the estate [Report of Sale at Dkt. No. 529].
- 19. The role of the Plan Administrator, however, was to fulfill the terms and conditions of the Confirmed Plan. In that role, Plan Administrator (a) surrendered the Debtor's primary residence at 2910 Gervais Street on July 1, 2015 [Dkt. No. 517] in full satisfaction of the secured debt to J.P. Morgan Chase, (b) negotiated a resolution of Debtor's remaining secured debt with Nationstar Mortgage, LLC (discussed in more detail below) which was approved by Order entered July 15, 2015 [Dkt. No. 523] ("Nationstar Settlement"), (c) completed the previously approved settlement with GACC [see Dkt. No. 441] by paying the allowed amount of their reduced unsecured claim in full (an \$900,000 reduction from the filed claim) and (d) filed

objections to certain claims with this Court entering an Order Setting Claims on July 17, 2015 [Dkt. No. 532].

- 20. The Nationstar Settlement resolved the secured debt on 3 of the Rental Properties and allows Debtor to preserve significant equity in the Rental Properties and continue to rent them with sufficient revenue to service the secured debt, pay all expenses and pay annual real property taxes with some excess cash flow remaining for the Debtor. Plan Administrator paid \$144,591.61 to Nationstar to reimburse Nationstar for taxes advanced for 2013 and 2014 and pay a \$30,000 principal reduction on each loan (Nationstar agreed to not assert a claim for post-petition interest, which could have been as much as \$35,000) with the balance of each loan refinanced over 30 years at a fixed interest rate of 2.625%. As part of its resolution with Richland County, Plan Administrator successfully obtained significant reductions in the tax assessed values of the Rental Properties (and Debtor's primary residence) to benefit the Debtor for tax year 2015 and forward. Plan Administrator completed the Nationstar Settlement by paying the initial monthly payments due September 1, 2015 (totaling \$1,665.65) and funding a \$25,000 tax escrow to Cantey & Company for 2015 real property taxes on the Rental Properties.
- 21. Once it was determined the estate was solvent, additional payments were made on behalf of the Debtor- (a) \$24,720.59 paid to Georgetown County, S.C. to redeem real property owned by Caledonia Two, LLC which has been abandoned to Debtor, (b) \$49,102.20 previously paid by Trustee to Richland County for unpaid real property taxes on property abandoned to Debtor, (c) an additional payment of \$100,000.00 to GACC per the GACC Settlement and (d) \$5,480 to substantially repair and replace the HVAC system on Debtor's residence (at Debtor's specific request and instruction). This was in addition to monthly payments of \$2,500 made by Trustee and Plan Administrator to Debtor for living expenses.

- Trustee and Plan Administrator have filed Monthly Reports detailing all income received and expenses paid since his appointment [See Dkt. Nos. 222, 228, 249, 271, 306, 322, 341, 358, 380, 395, 415, 445, 451, 473, 505, 521 and 546]. All allowed claims have been paid in full. Plan Administrator has requested and received approval from the Special Notice Parties to (a) make final payments to the attorneys and accountants for Plan Administrator with estimates for additional time associated with this Application and the final estate tax return and (b) pay himself the full commission on monies disbursed or to be disbursed, including the Reserve Amount discussed below.
- 23. Other than leases associated with the Rental Properties, there are no other executory contracts or leases known to Trustee. Other than leases associated with the Rental Properties, all other executory contracts and unexpired leases have been rejected pursuant to the Confirmed Plan and the deadline for any rejection claims has expired.
- 24. Pursuant to the Notice of Chapter 11 Bankruptcy Case, Meeting of Creditors, & Deadlines entered on February 1, 2013 [Dkt. No. 2], the Bankruptcy Court set the Bar Date for filing Proofs of Claim for any person or entity other than governmental units as June 2, 2013 and for any governmental unit as July 31, 2013. Any person who is required to but failed to file a proof of claim on account of a Prepetition Claim on or before the Bar Date is forever barred, estopped and enjoined from receiving a distribution under the Plan and is forever barred, estopped and enjoined from asserting a Prepetition Claim against the Debtor, its Estate or any successors or assigns.
- 25. As of July 31, 2013, creditors filed Proofs of Claim as follows: (a) general unsecured Claims in the aggregate amount of approximately \$3,792,687.32; (b) Priority Claims in the aggregate amount of \$175,766.09; and (c) Secured Claims in the aggregate amount of

\$11,670,685.34. On June 5, 2015, the Plan Administrator filed Plan Administrator's Objection to Claims and/or Intended Treatment of Said Claims [Dkt. No. 503]. The Order Setting Claims was entered on July 17, 2015 [Dkt. No. 532].

- 26. The Trustee/Plan Administrator has worked with Debtor and the Accountants for the Estate to ensure that both his individual return for 2012, 2013, and 2014 and the estate return for 2013 and 2014 have been filed. The Plan Administrator will file, or cause to be filed, a Final 2015 return for the Bankruptcy Estate using August 31, 2015 as a cutoff date. Because this Application has not yet been approved and because of the time required to get approval from the IRS as to the final return, Plan Administrator has disbursed the remaining funds to Debtor less a \$50,000 reserve ("Reserve Amount") to be released to Debtor upon confirmation of IRS acceptance of the Final Return and assuming no extraordinary expenses. Plan Administrator does not estimate any tax liability associated with the Final Return.
- In less than 16 months, the Trustee/Plan Administrator has sold \$17,825,000.00 in real property of the Debtor, paying off \$12,097,761.91 in secured debt¹ (after obtaining approximately \$500,000 in secured debt concessions/reductions). Trustee/Plan Administrator has paid over \$200,000 in real property taxes, in many cases redeeming property from tax sales. The total administrative costs of Trustee, Plan Administrator, their professionals and Debtor's attorney (exclusive of commissions to brokers) are \$1,217,211.90. Finally, Plan Administrator has paid \$2,768,957.88 in allowed unsecured claims after obtaining over \$1 million in concessions or reductions to filed unsecured claims. After payment of all allowed claims, the Debtor has received approximately \$637,769.94 in either direct payments or payments made on his behalf for properties retained by Debtor. Additionally, Debtor retains property worth over \$6 million (per his asserted values) with only \$414,700.00 in secured debt on the Rental Properties.

Of which \$1,999,046.65 was accrued interest

SUBSTANTIAL CONSUMMATION OF CONFIRMED PLAN

- 28. The Effective Date of the Confirmed Plan was June 2, 2015. All sales of real property necessary to effectuate the Confirmed Plan have been consummated.
- 29. On June 19, 2015, the Plan Administrator filed the Notice of Initial Distributions Required under Confirmed Plan of Liquidation [Dkt. No. 511]. The initial distribution to creditors was made on June 26, 2015. As of the filing of this Application, all allowed claims have been paid in full and all remaining funds have been or will be disbursed to Debtor.
- 30. Consequently, the Plan Administrator has substantially consummated the terms of the Confirmed Plan.

THE ESTATE IS FULLY ADMINISTERED AND THE CASE SHOULD BE CLOSED

- 31. Rule 3022 of the Federal Rules of Bankruptcy Procedure provides as follows: "After an estate is fully administered in a Chapter 11 reorganization case, the court, on its own motion or on motion of a party in interest, shall enter a final decree closing the case." Fed.R.Bankr.P. 3022.
- 32. The question of when a Chapter 11 estate has been "fully administered" is determined by a review of several factors, and is reviewed on a case-by-case basis. As explained in the 1991 Advisory Committee's Notes to Rule 3022:

Entry of a final decree closing a Chapter 11 case should not be delayed solely because the payments required by the plan have not been completed. Factors that the court should consider in determining whether the estate has been fully administered include: (1) whether the order confirming the plan has become final; (2) whether deposits required by the plan have been distributed; (3) whether the property proposed by the plan to be transferred has been transferred; (4) whether the debtor or successor of the debtor under the plan has assumed by business or the management of the property dealt with by the plan; (5) whether payments under the plan have commenced; and (6) whether all motions, contested matters and adversary proceedings have been finally resolved.

Case 13-00665-dd Doc 551 Filed 09/01/15 Entered 09/01/15 09:20:38 Desc Main Document Page 13 of 44

The Chapter 11 case satisfies the relevant above stated factors. The Confirmation Order is final. All deposits and transfers have been made and the monies held by Plan Administrator have been fully disbursed. Debtor has taken over responsibility for all property abandoned or surrendered. Payments under the Plan have been commenced and completed with all claims have been resolved and all allowed claims have been paid. All deadlines under the Confirmed Plan has passed and all motions, contested matters and adversary proceedings have been finally resolved.

WHEREFORE, the Plan Administrator requests this Court enter a final decree which closes the Chapter 11 case, and grant such other and further relief to which the Debtor may be justly entitled.
